

We Proudly Brew Starbucks Coffee Paper Products

We also offer branded paper products and merchandising to help you promote your premium offering of Starbucks® coffee, including our new cups made with 10 percent post-consumer recycled fiber. As attractive as they are

environmentally responsible, these new cups are a good way to show your company's commitment to the environment and to premium coffee for your people. Branded paper products include:

- 8- and 12-oz. Hot Cups
- Cup Sleeves
- Paper Napkins
- Lids

Program Includes

- Starbucks Interactive Cup™ brewer-approved whole bean coffees
- Starbucks® Gourmet Hot Cocoa mix
- Tazo® tea with tea rack
- *We Proudly Brew* hot cups
- One *We Proudly Brew* logo carafe to serve freshly brewed pots of coffee
- One cup-and-condiment holder to enhance your Starbucks presentation

one cup at a time.

The Starbucks Interactive Cup™
brewer for your office

We Proudly Brew
STARBUCKS COFFEE

A personal coffee experience. A premium workplace.

Enhance your workplace, inspire your staff and thank your customers with an incomparable coffee experience from the Starbucks Interactive Cup™ brewer. Every cup of Starbucks® coffee is freshly ground and brewed. The aroma, flavor and quality are undeniably premium, and the message to your staff, customers and guests is clear—you're worth it.

The Starbucks Interactive Cup™ brewer at a glance

From whole bean to fresh-brewed cup in less than a minute	No need for your people to leave the office to get the premium Starbucks® coffee they want
Brew by the cup or by the carafe	Eliminate waste by brewing exactly what you need
Plumbed and filtered water line	Enjoy continuous service without refilling a water tank
Beautiful satin metallic finish	Stylish to complement your office environment
Storage cabinet locks securely	Controls access to cabinet
Solid maple condiment and tea shelves	Convenient space for beverage preparation
Attractive metal tea rack and condiment holders	Displays your cups, condiments and up to four boxes of Tazo® tea in one attractive display
Large capacity waste bin	Saves time; no service disruptions

Reward and motivate your people.

The Starbucks Interactive Cup™ brewer is more than a perk. It's the fresh-brewed, rich, 100% *arabica* way to thank your people for their work and inspire them on to even greater accomplishments.

Make a premium impression.

The Starbucks Interactive Cup™ brewer lets your customers and guests know just how vital their business is to yours. Every cup is made to order, just for them, for an unparalleled guest experience. Even before it brews a single cup, the stylish Starbucks Interactive Cup™ brewer presents a premium image.

Serve them personal satisfaction.

Starbucks is the world's premier roaster and purveyor of specialty *arabica* coffee. With the Starbucks Interactive Cup™ brewer, your people can enjoy a custom cup of freshly brewed Starbucks® coffee with the push of a button, as well as delicious Tazo® teas and indulgent Starbucks® Gourmet Hot Cocoa. Premium. Personal. Perfect.

Create your own complete beverage program.

A full selection of Starbucks® whole bean coffees is available to your employees, a true variety of coffees, all expertly roasted to their peak flavor. Choose one or change often. Starbucks® Gourmet Hot Cocoa and Tazo® teas are also available to complete your offering.

Geography	Starbucks® coffees	Description
Latin American 	Breakfast Blend <i>Also available in decaf</i>	Mild and flavorful, this light-bodied blend makes a bright first impression and is a wonderful cup of coffee to begin your day.
	House Blend <i>Also available in decaf</i>	A medium-bodied blend of Latin American coffees featuring a vibrant acidity and clean, well-balanced flavor.
	Organic Shade Grown Mexico	Medium-bodied with crisp acidity, a slightly nutty flavor and a refreshing aftertaste. The coffee is grown under shade trees on small coffee farms in Chiapas, Mexico.
	Colombia Nariño Supremo	Medium-bodied, smooth and well-balanced brew with a signature nutty flavor.
Asia/Pacific 	Sumatra <i>Also available in decaf</i>	This Indonesian coffee is smooth and full-bodied with subtle herbal and spicy notes and a deep, earthy flavor.
Multi-Region Blends 	Caffè Verona® <i>Also available in decaf</i>	A full-bodied blend of Latin American and Asia/Pacific coffees with dark-roasted coffee for added depth and sweetness.
	Café Estima Blend™	A blend of Fair Trade Certified™ coffees from Latin America and East Africa with low acidity and full body resulting in a smooth, velvety mouth feel and roasty-sweet finish.
Dark Roast Blends 	French Roast	This hearty, dark-roasted blend of Latin American coffees combines an intense, smoky flavor with a surprisingly light body.
Hot Cocoa 	Starbucks® Gourmet Hot Cocoa	Dark, rich, Dutch-process cocoa, created from the finest ingredients.

Tazo® filterbag teas

Flavor	Description	Tea Classification
Awake™	A bold breakfast tea of depth and character, invigorating any time.	Black
Earl Grey	An aromatic blend of black teas scented with the citrusy essence of bergamot.	Black
Chai (organic)	A rich blend of organic black teas blended with equally rich spices.	Black
Zen™	Enlightening blend of green teas and rare herbs.	Green
Green Ginger	Bright green tea flavor accented by the sweet, spicy taste of ginger root.	Green
China Green Tips	Single origin tea with a delicate bouquet, fresh taste and a smooth finish.	Green
Berryblossom White™	Slightly creamy white tea flavor with hints of blueberry and crisp white cranberry.	White
Calm™	A light, soothing beverage with a sweet floral taste of chamomile and a cool, smooth finish.	Herbal Infusion
Passion™	A deep red tea made from hibiscus flowers, exotic herbs and natural tropical flavors.	Herbal Infusion
Wild Sweet Orange	A lively blend of sweet citrus herbs and orange essence.	Herbal Infusion
